Wyoming Community Grant Project Questionnaire

Please answer the following questions omitting any proper names of people, towns or other identifying landmarks to avoid any unfair bias in the grant selection process.

Every grant submission will be checked by a third party and redacted if necessary.

1) Estimated number of individuals benefiting from the project?

2) What specific community need or opportunity does your project address?

3) How will this project create lasting benefit and how will you measure success?

4) How will Wyoming Community Gas and the Wyoming Community Grant Program be promoted as the grantee?
